TST GLOVES & BALACLAVA

GLOVES

Waterproof Gloves with protection up to 500 bar/7 500 psi.

- The material and the rough, sand patterned surface provides the best possible grip. Outside is dipped in nitrile rubber.
- Separate inner gloves in nylon for optimal comfort and washability.
- Tested and classified with the highest test values: The level of performance is 4 out of 4 in abrasion, tear and puncture resistance, and level 5 out of 5 in blade cut resistance.
- Learn more on p. 61.
- Supplied in 12-pack. Shelf life up to 3 years.
- CE Regulation (EU) 2016/425
- Protective Gloves: EN ISO 388:2016

BALACLAVA

Designed to keep the body dry.

- To be worn on the outside of the clothing.
- The breast bib is made of Cordura and is fitted with adjustable straps to hold it in place.
- No protection against water jets (made of neoprene).
